Meeting to be a teleconference:

Dial In: **Personal Matters / Ex. 6**

(Portion of the incoming email from Bob Hamilton of Valent. Also attending from industry would be other registrants and CLA staff)

Label items

- Tank mix language (I have spoken to Ray and you should be seeing the paper tomorrow or the day after)
- Requirement to list pounds AI in several places on the label
- Use of 75-day deficiency letters for label changes
- Mandated label mitigations on 24(c) registrations

Ideas and opportunities for collaboration

- Spring conference -similar to the label workshop at the last conference, are there opportunities and training that will help your staff?
- How can we work most efficiently with the Agency given your resource constraints?
- What are the plans to address the backlog of non-PRIA items?
- Self-certification of notifications?
- Commodity inerts?
